Kelly,
The software will be used for Pavillion project and also others (actually it is used in modeling work, it is one of packages of Matlab).

Junqi,

Is there a specific project this software is going to be used for? Hydro Frac, Pavillion?

Thanks,

Kelly

Kelly,
We may need software, MATLAB Compiler, which is used for modeling work and products publication. Price of the software about \$5000. If fund available for this purchase?
Thanks.
